

NOTICE OF MEETING - SPECIAL GENERAL ASSEMBLY
SENIORITY RECOGNITION (PURA)
CIUSSS West-Central-Montreal

March 15, 2025

Dear APTS members,

In recent months, some of our union partners signed an agreement with the government to recognize part of the seniority accrued by independent workers. In exchange, the government agreed to recognize previously accrued seniority for employees who were working in health and social services institutions.

Last fall, the CPNSSS indicated that for the sake of fairness, it would soon offer the same sort of proposed deal to Class 4 employees, which it did at the beginning of this year.

On February 25, 2025, it was decided to submit this proposed agreement for a one-time process for recognizing seniority (*processus unique de reconnaissance de l'ancienneté* – PURA) to a vote at a Special General Assembly.

It's your turn to speak.
Have a nice meeting!
